Process for Direct Admission to MD/MS Programs through Management/NRI Quota

For PG medical admissions through the Management/NRI Quota, students only need to achieve the qualifying score in the NEET PG exam. In 2026, approximately 210,000 students applied for NEET PG, and around 120,000 are expected to qualify. After the results, students should assess their chances of securing a seat, gather the necessary documents, and apply during counseling for their preferred branch and college. Each state has its own norms and procedures for NRI/Management Quota admissions. Deemed universities typically allocate 15% of their seats for NRI/Management Quota.

For example:
